Subject: CapSol™ Gluten-Free Statement

Dear Valued Customer,

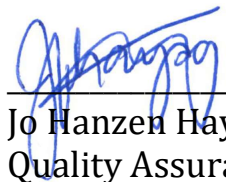

The term “Gluten” refers to the protein that occurs naturally in grains such as wheat, barley, rye, and cross-bred hybrids of these grains.

The origin of the product CapSol™ (INCI – Carthamus tinctorius (Safflower) Oleosomes and Water) is Safflower Seeds.

Our process neither uses nor comes in-contact with the above-mentioned grains and therefore we confirm that this product is gluten-free.

Please do not hesitate to contact us if you have any further questions.

Sincerely,

Jo Hanzen Hayag
Quality Assurance Supervisor
